CAREER OBJECTIVE

Motivated B.Tech ECE student at RGPV University with a CGPA of 7.52, strong foundation in Java, C++, OOPs, Data Structures, DBMS, Microprocessors, and Digital Electronics. Seeking an internship opportunity at Nokia to apply problem-solving, software development, and communication engineering knowledge in a challenging, industry-driven environment.

EDUCATION

Degree / Course	Institution	Year	Score
B.Tech – ECE (Pursuing)	RGPV University, Bhopal	2023 – 2027	CGPA: 7.52
Class XII (Intermediate)	Bihar Board (BSEB)	2023	69%
Class X (Matriculation)	Bihar Board (BSEB)	2021	–

TECHNICAL SKILLS

Languages	Java, C++
Database	MySQL, Basic SQL Query Writing, DBMS Concepts
Core Subjects	OOPs, Data Structures & Algorithms, DBMS, Microprocessors, Digital Electronics
Tools / IDE	Git, GitHub, VS Code, Eclipse IDE
Others	Problem Solving, Logical Reasoning, Software Development Lifecycle (SDLC)

INTERNSHIP EXPERIENCE

Virtual Internship – Spring Boot Developer | Infosys (Virtual) | 3 Weeks

- Completed a 3-week virtual internship program with Infosys focused on Spring Boot and Java back-end development.
- Gained hands-on exposure to RESTful API design, Spring Boot project structure, and dependency injection.
- Strengthened Java programming fundamentals in an industry-oriented learning environment.

PROJECTS

Hospital Management System | Java, OOPs, MySQL

- Developed a console-based Hospital Management System using core Java and OOPs principles.

- Implemented modules for patient registration, doctor assignment, appointment scheduling, and billing.
- Integrated MySQL for persistent data storage with CRUD operations via JDBC.
- Applied OOPs concepts – Inheritance, Encapsulation, Polymorphism, and Abstraction – throughout the design.

CERTIFICATIONS

Certificate / Course	Issued By
Generative AI & Claude.ai Workshop	PW (Physics Wallah)
Cloud Computing	IIT Kharagpur (NPTEL)
Internet of Things (IoT)	IIT Kharagpur (NPTEL)
MySQL – Database Fundamentals	Udemy
Java Programming	CoderArmy

ACHIEVEMENTS & ACTIVITIES

- Solved 100+ DSA problems on competitive programming platforms, strengthening algorithmic thinking.
- Participated in multiple coding contests, demonstrating competitive programming aptitude.
- Completed NPTEL certifications in Cloud Computing and IoT from IIT Kharagpur.
- Earned industry-recognized certifications in Java, MySQL, and Generative AI tools.

LANGUAGES KNOWN

English – Professional Proficiency

Hindi – Native / Full Proficiency

DECLARATION

I hereby declare that all the information furnished above is true and accurate to the best of my knowledge and belief.
